

# BARLOW HOUSE PRAYER

God of Love, source of all life and joy, you delight in us.

Send your blessings upon Barlow House.

Fountain of all true knowledge and wisdom, let these gifts grow in us.  
Let us shine with your glory.

By your grace Lord, we commit ourselves to excellence individually and as a  
community.

Help us to love simply, to have courage, enthusiasm, a genuine concern for others  
and a heart for the world.

As we follow in Euphrasie Barbier's footsteps, may we inspire others and  
demonstrate the virtues of love, respect and integrity,  
united in your one Spirit, the Spirit of Jesus.

Amen

Sacred Heart of Jesus, I place my trust in you
