## YEAR 7 - 2025

# Enrolment Information

# College Mission and Values

As a Catholic School faithful to the Gospel and the tradition of the Sisters of Our Lady of the Missions:

We develop our students to respond to Jesus by striving for personal excellence, having the courage of their convictions and being active agents of change.

To go beyond ourselves with:

**Compassion, Courage and Respect**

The College motto is:

*Always  
Striving  
Upwards*

This motto has been expanded to mean 'Always Striving Upwards- to You our God'.

This expansion is a reminder that whatever is done, should be done for God and to always try to achieve best for him.

# College Prayer

Loving God,

We thank you for the gift of families.

We ask your blessing on all families today and always.

Be with us in our daily life together.

Be our guide in times of challenge, be our strength

In times of difficulty, be our joy in times of delight.

Help our families to grow stronger in your love and

Show us how to love one another as you have loved us.

May we welcome Jesus as the unseen guest in our home.

May we be His voice and hands, respecting and  
caring for those we meet.

Sacred Heart of Jesus, we place our trust in you.

# FAQs

- **How many places are available?**

Each cohort has a total of 248 students and the number of places depends on how many Catholic sibling applications we receive. This changes each year, but using last year as an example, approximately half the places were allocated to siblings, leaving 120 places for new families.

- **Is it possible to receive a place if my child is not Catholic?**

According to our Enrolment Policy, the first categories of students given priority are Catholic students. We certainly can consider non Catholic students, however, with such an overwhelming number of Catholic student applications, this often comes down to numbers. Offers to non Catholic students often arise in later year groups.

Pastoral considerations are also made for particular applications.

- **We live near the College, will this impact the application?**

Our Enrolment Policy does not consider geographical proximity when prioritising applications.

- **We submitted our Expression of Interest when our child was born, will this impact the application?**

The Expression of Interest is due by the time your child starts Year 5. Beyond this, we do not consider earlier submissions in favour of others. Applications are prioritised according to the Enrolment Policy.

- **We are a sibling family, do you have to complete the Four Pillars questions?**

Yes. With forms moving online, it is much easier for parents to complete. It is also a wonderful opportunity for senior staff to learn more about your child as an individual.

- **How many interviews are offered?**

We endeavour to offer as close to the amount of places available as we can. Please remember that receiving an interview does not guarantee a place at the College.

# FAQs (continued)

- Are there feeder primary schools for Sacred Heart College?

Sacred Heart College has no formal feeder school agreements. Our Enrolment Policy simply states 'Catholic students from Catholic Primary Schools' are given preference.

- What happens if we don't receive an interview?

We see such a large number of applications from so many wonderful students and families who have their hearts set on Sacred Heart. We take this decision making process very seriously and it is never an easy process to go through. We make every effort to consider each and every child, both within the context of the Enrolment Policy as well as the child as a whole person. If an offer of interview is not received, we will ask if you would like your child to remain in the Waiting Pool for potential places moving forward.
